Profile Summary

Java Developer with a solid foundation in Core Java, OOP, JDBC, and SQL. Hands-on experience in developing real-world applications with database connectivity. Eager to apply problem-solving skills and contribute to efficient backend development.

Education

Master of Computer Applications (MCA)	2024 – Present
NCRD Sterling Institute of Management Studies	CGPA: 8.39
Bachelor of Computer Science	2021 – 2023
Mulund College of Commerce	CGPA: 7.89

Technical Skills

Programming: Java (Core Java, Java 8)
Backend: JDBC, Servlets, JSP, Hibernate(ORM)
Database: MySQL, Oracle SQL
Tools: Eclipse, IntelliJ IDEA, VS Code, Git, GitHub
Concepts: OOP, Collections, Multithreading, Exception Handling

Experience

Full Stack Java Developer (Training)	Jan 2026 – Present
QSpider, Thane	

- Gaining hands-on experience in Java full-stack development including Servlets, JSP, and database integration.
- Working on real-time coding problems and backend development practices.

Java Developer Intern	June 2023 – July 2023
MIRA Advanced Engineering, Thane	

- Assisted in developing and testing Java-based applications.
- Improved debugging and problem-solving skills in real-world scenarios.

Projects

ATM Simulator – Banking System	Jan 2025 – Mar 2025
<i>Java, Swing, JDBC, MySQL</i> (GitHub)	

- Developed a banking system supporting balance inquiry, deposit, withdrawal, and transaction history.
- Implemented transaction-safe JDBC operations ensuring data consistency and rollback handling.
- Designed modular architecture using OOP principles for maintainability.
- Built an interactive GUI using Swing with input validation and smooth navigation.

Employee Payroll System	Mar 2025 – May 2025
<i>Java, Swing, JDBC, MySQL</i>	

- Created a payroll management system with employee records and automated salary processing.
- Implemented role-based authentication (Admin/User) for secure access control.
- Developed full CRUD operations for efficient employee management.
- Improved reliability through validation and optimized workflows.

Certifications

- Programming in Java – NPTEL (Elite, 87%) – IIT Kharagpur (2025)
